

How to Enroll in Mobile Deposit

Open the menu in the NetTeller app.
Select Deposits.

The User Registration screen will come up.

Fill in:

- First Name
- Last Name
- Confirmed Email

A screenshot of the "Deposits" screen in the NetTeller app. The title bar says "Deposits". Below it is a "User Registration" section with the following fields: First Name (containing "John"), Last Name (containing "Doe"), Email (containing "jdoe@gmail.com"), and Confirmed Email (containing "jdoe@gmail.com"). At the bottom of the form is a "Continue" button, which is highlighted with a red rectangular box.

Select the account you want to make mobile deposits to and click Submit.

Secondary accounts can be added after your enrollment is approved by contacting the bank.

The screenshot shows a mobile app interface with a dark brown header containing a back arrow and the word "Deposits". Below the header is a white box titled "Select Accounts" with three rows: "Our HSA", "John's acct", and "Jane's acct". At the bottom of the white box is a dark brown button labeled "Submit".

You will receive notification that your enrollment is pending review by the bank

The screenshot shows a mobile app interface with a dark brown header containing a hamburger menu icon and the word "Deposits". Below the header is a white box titled "Registration Status" containing the text: "Your Mobile Deposit enrollment is pending review. You will be notified via email when your enrollment is processed. Please contact (888) 518-7053 for further assistance."

Once the enrollment is processed by the bank, you will receive email notification that your Mobile Deposit is ready.

The screenshot shows an email notification with a white background. On the left is a circular logo with the letters "CB". To the right of the logo, the text reads: "Thu 9/19/2019 10:59 AM", "Commercial Bank and Trust Co.", and "Your Commercial Bank Mobile Deposit is Ready". Below this is a "To:" label.

To finish enrollment, go back into the Deposits tab and accept the Terms and Conditions

The screenshot shows a mobile app interface with a dark brown header. Below the header is a white box containing the following text: "The mobile deposit service ("Service") is designed to allow you to make deposits to your checking or savings account from your camera-enabled mobile device capable of capturing check images and information and electronically delivering the items and associated deposit information to the Bank. The device must capture an image of the front and back of each check to be deposited in account with the Procedures; must read and capture the magnetic ink character recognition ("MICR") line on each check; and must read and capture all such other data and information as is required by this Agreement or Federal Reserve regulations for the processing of these checks for payment." Below this is a section titled "FEES AND CHARGES" with the text: "The Bank offers the benefits and convenience of the Service to you at no charge. The Bank reserves the right to charge fees for the Service in the future." Below that is a section titled "HARDWARE AND SOFTWARE REQUIREMENTS" with the text: "You must have a Mobile Device that is acceptable to us and wireless plan from a compatible mobile". At the bottom of the white box is a checkbox with the text "have read and agree to the terms of service." Below the checkbox is a dark brown button labeled "Continue".
